Assignment

In consideration of One Dollar (\$1.00), and other good and valuable considerations, the receipt of which is hereby acknowledged, we, the undersigned, Ellen W. Collisson residing at 11385 Golden Mist, College Station, Texas 77845, USA; Stephen M. Hash in care of Arnold, White & Durkee, 1900 One America Centre, 600 Congress Avenue, Austin, Texas 78701, USA; and Insoo Choi residing at 2500 Central Park Lane, Apt. 1703, College Station, Texas 77840, USA.

Hereby sell, assign and transfer to The Texas A&M University System
 a corporation of the State of
 Texas having a place of business at 310 Wisenbaker Building
 in the County of Brazos and State of Texas 77843-3369
 its successors, assigns and legal representatives, the entire right, title and interest
 for all countries, in and to any and all inventions which are disclosed and claimed,
 and any and all inventions which are disclosed but not claimed, in the application for
 United States Patent, which has been executed by the undersigned on September 1, 1999,
 September 7, 1999 and September 1, 1999 and is entitled

Feline CD80, Feline CD86, Feline CD28, and Feline CTLA-4 Nucleic Acid
 and Polypeptides

(U.S. Serial No. 09/303,510, filed April 30, 1999, claiming the benefit
 of U.S. Provisional Application No. 60/083,869, filed May 1, 1998)

and in and to said application and all divisional, continuing, substitute, renewal,
 reissue, and all other applications for U.S. Letters Patent or other related property
 rights in any and all foreign countries which have been or shall be filed on any of
 said inventions disclosed in said application; and in and to all original and reissued
 patents or related foreign documents which have been or shall be issued on said
 inventions;

Authorize and request the Commissioner of Patents of the United States to issue
 to said Assignee, the corporation above named, its successors, assigns and legal
 representatives, in accordance with this assignment, any and all United States
 Letters Patent on said inventions or any of them disclosed in said application;

Agree that said Assignee may apply for and receive foreign Letters Patent or rights of any other kind for said inventions, or any of them; and may claim, in applications for said foreign Letters Patent or other rights, the priority of the aforesaid United States patent application under the provisions of the International Convention of 1883 and later modifications thereof, under the Patent Cooperation Treaty, under the European Patent Convention or under any other available international agreement; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this assignment, the undersigned or the undersigned's executors or administrators will, for the United States and all foreign countries execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications or other documents on any and all said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns and representatives, all facts known and documents available to the undersigned relating to said inventions and the history thereof; testify in all legal proceedings; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said inventions and for vesting title to said inventions and all applications for patents or related foreign rights and all patents on said inventions, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
